I, Wilma Southwick, having
lived on this farm (1391E 3900N) since
1941 and now having a life estate
in the home on said property,
do attest that:

Waste water from the following
properties has been used in irrigating
our crops since in the 1940's -
1- The land east of our farm formerly
owned by John Bateman later by
John De Kruff.

2- From the farm on the south
boundary of our farm formerly
owned by Joe Lorman, Henry Lorman
& Plantinga.

This waste water has always been
beneficial for the irrigation of our crops.
