Case No. 39576

ORDER SETTING MANDATORY
SETTLEMENT CONFERENCE

SUBCASE NO.: 25-14078

The court recognizes that formal litigation of subcases in the Snake River Basin Adjudication may impose an economic burden on parties. Settlement conferences often provide an opportunity to settle subcases and avoid a trial. These conferences can help open lines of communication, clarify issues, reveal the strengths and weaknesses of each party's legal position, identify areas of agreement and generate options for a mutually agreeable resolution of the dispute.

Each party and IDWR is required to be present with the individual having full settlement authority on every aspect of the contested subcase. Partnerships, corporations, limited partnerships, unincorporated associations and all governmental entities must have a responsible officer or partner with settlement authority in attendance, in addition to their attorney of record, unless written authority to settle has been given to the attorney and is presented to the Settlement Moderator.

Failure to attend or attendance without settlement authority may result in sanctions by the court.

IT IS ORDERED that these subcases shall proceed with a SETTLEMENT CONFERENCE before Settlement Moderator Theodore R. Booth, as follows:
