To Whom It May Concern;

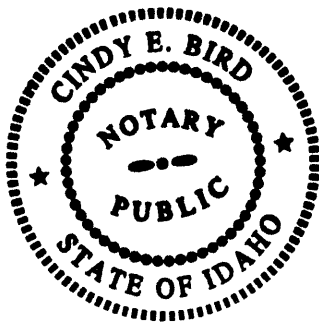

I, Paul Hatch Sr. have seen irrigation water running on T7S, R38E, Section(s) 24
and 25 every year since 1953. I purchased the property back in 1960 and have
irrigated it every year since then.

3/18/02 1:20pm Conversation with
Lee Crockett:

Lee is in St. George until the
11th or 12th of April, 2002.

Lee's father-in-law purchased the
farm in 1960 from the Call Brothers.
Lee operated the farm for 3 years
and in 1963 he purchased the place
from this father-in-law. When it
was first purchased the Call Brothers
were growing potatoes. Lee tried
growing peas. But as long as Lee has
had the property the land in the
SWSW of section 24, T7S, R38E has
been irrigated by the well in the
NEHW of Section 25.
