To the defendant, Edgard Roseborough, 25 inches of 1/2 cubic foot per second time of the water from that part of Upper Sand Creek known as

21.0017

as Griffith's Springs, dating from May 15" 1900.

To the defendant Cullom Thompson, 25 inches or 1/2 cubic foot per second time of the water of that part of Upper Sand Creek known as Sharp's Springs, dating from July 1", 1896.

That the several amounts of water above decreed be measured and distributed to the said parties at their several points of diversion from the natural channel of said Upper Sand Creek and the said Tributaries thereof, respectively.

That the said waters herein decreed be measured under the weir system, in cubic feet per second of time; fifty inches of water as herein decreed being equal to one cubic foot per second of time, or one second foot.

It is further ordered that each of said parties to this suit construct and maintain at their several points of diversion respectively, substantial and uniform boxes, head gates and weirs for the measurement of their said water.

That each and every of the parties to this suit, their agents, attorneys, assignees and grantees, are hereby restrained and perpetually enjoined from in any manner interfering with the waters of said Upper Sand Creek, and the tributaries thereof herein decreed, or exercising any other or greater rights with reference to said waters than as herein decreed to the respective parties.

That the costs of this action be paid as follows, to-wit;

That each, the plaintiff and defendants herein pay their own costs.

Dated at Montpelier Idaho, this the 24th day of December, A. D. 1902
