RE: Case No. 39576	)	MOTION TO AMEND PLEADING

I am filing this Motion to Amend Pleading on Water Right No. 29-13406 to restate the information previously submitted to the SRBA and District Court and to also inform of the Court and SRBA of the clerical error of incorrect recording that placed a wrong date on this water right.

Due to the clerical error of the incorrect date we feel this water right should be restored to the proper date, As were granted to the other rights in this area that have used water since 1907.

We reserve the rights to present our information in court.

Respectfully,
