1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

Section TOT75 R35E S23 SWNW

section should encompass at least one more acre

2. Describe the changes you wish to make in the proposed recommendation:

Change TOTAL irrigated Acres TO 7.1 acres

I irrigate everything except the house & BARN

3. Give a brief explanation as to why you disagree with these portions:

You left out a substantial portion of ground
According to the map

☐ I AGREE with this proposed recommendation: no changes need to be made.

As previously noted in earlier letters to your department about Mr Larry Porter, residing at 5794 Ski View Drive Poc. Ida 83204 and his Cullinary well. He is still pumping water on 15 acres of hay ground out of a house well. So much for the water moratorium of may 1992 when supposedly no new irrigation well permits were to be issued. Now my other neighbors have chose to do the same thing and irrigate ground out of their house well. all this ground in question has not been under irrigation as long as I have lived here 1-84. don't you lose your water rights after 5 years of non-use. apparently not. ~~why must~~ why is it you make the rules and the individual has to enforce them. as I stated earlier Mr Porter has started the ball rolling in this subdivision and now
