An aerial photograph of a landscape, likely a wetland or marsh area, characterized by a mix of red, green, and white patches. A grid of blue and yellow lines is overlaid on the image. A large, bold yellow number '5' is positioned in the lower right quadrant. In the bottom right corner, four labels are visible: 'NESW', 'NWSE', 'SESW', and 'SWSE'. Two white circular punch holes are visible at the top of the page.
