Re: Northwest Pipeline Corporation

Dear Ms. Sherman:

I recently received SRBA Notice of Error materials for Northwest Pipeline Corporation's water right no. 29-2376. Northwest Pipeline Corporation's in-house counsel, Teresa Silcox, is the current attorney representative for Northwest Pipeline Corporation with regard to the Snake River Basin Adjudication and other water right matters. Accordingly, I would request that the Idaho Department of Water Resources update its records to ensure that future Snake River Basin Adjudication and water right documents are sent to Teresa Silcox at the following address:

861/504-7021 Ph
861/504-7862 Fx
Teresa Silcox
Senior Counsel
Northwest Pipeline Corporation
295 Chipeta Way
Salt Lake City, Utah 84108

A search on IDWR's internet database, identified the following water rights in Northwest Pipeline Corporation's name (29-2376, 45-2531, 61-2114, 63-3089 and 63-7366. Please let me know if you have any questions regarding this matter or if I can be of further assistance. Thank you for your assistance.

Sincerely,

HOFSTETTER LAW OFFICE, LLC

2. Does all water right information now go only to you? We have addresses for Northwest Pipeline Corp. in Spokane, Washington, and Meridian, Pocatello, Bruneau and Boise, Idaho. We prefer to have only ONE address in our database if possible. Do we need to retain those addresses for any reason?
3. I thought you might find our website helpful: www.idwr.state.id.us Let me know if you need any help.
