is based on Probate Records of the Joseph Warren Estate and deeds recorded 22 May 1909 and 1 June 1918 that were

not considered in the recommendations included in the SBRA's Directors Report. Based on other recorded deeds the 20"

mentioned in the above deeds could not be supported. A historical review of early deeds and water rights is attached to the "Objection filed on 27-00025B". After reviewing the historical data, all claimants have signed an agreement that details a distribution of the water right that is acceptable to all claimants. A copy of the agreement is attached.
