1) Irr Well - Gret orchard

10-31-02 : Claimed Big well - licensed well

: lower - Southern well measured during Licensing Exam

11-1-02 : Based on Licensing Field Exam

This right was licensed for uses from both wells, but only one well was licensed.

This is odd - Domestic use was licensed as a valid use.

However - the well or pod that provided domestic use was not included as a pod
