Re: Notice of Change of Water Right Ownership
Water Right 2-104 and 2-10055
GP File No. 7076-1

Dear Sally:

You returned the attached Notices of Change of Water Right Ownership to me last year requesting additional information in the form of a deed from the Harkers and maps. I have enclosed plat maps of the subject property and a year 2000 aerial photograph showing the property layout. I do not have deeds from the Harkers because the applicants purchased the property from people or entities that owned the property subsequent to the Harkers. The Harkers have not owned the property for some time. The original Notices of Change include warranty deeds showing applicants' ownership of the property and the appurtenant water rights.

Please call me if you have questions.

Sincerely,

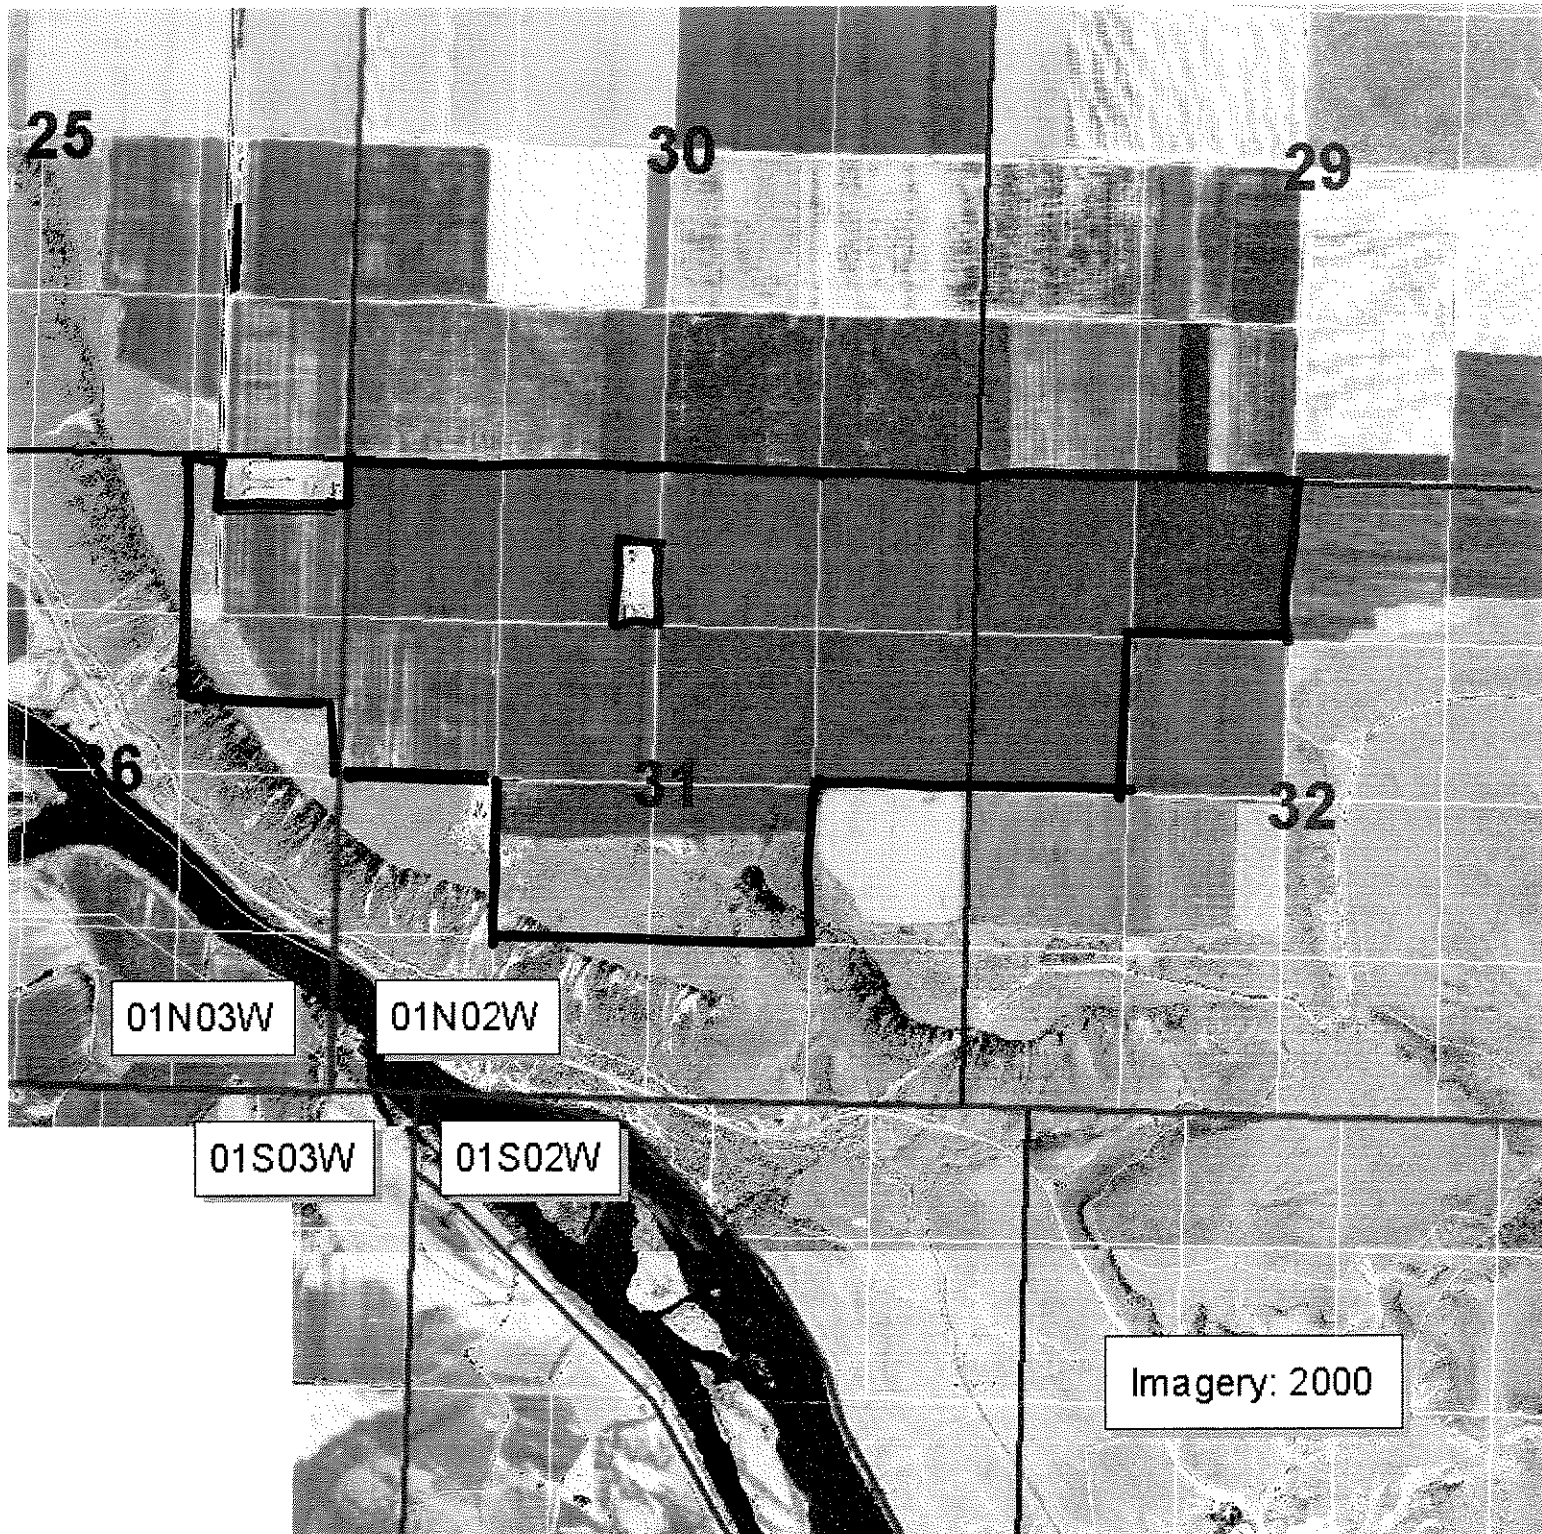

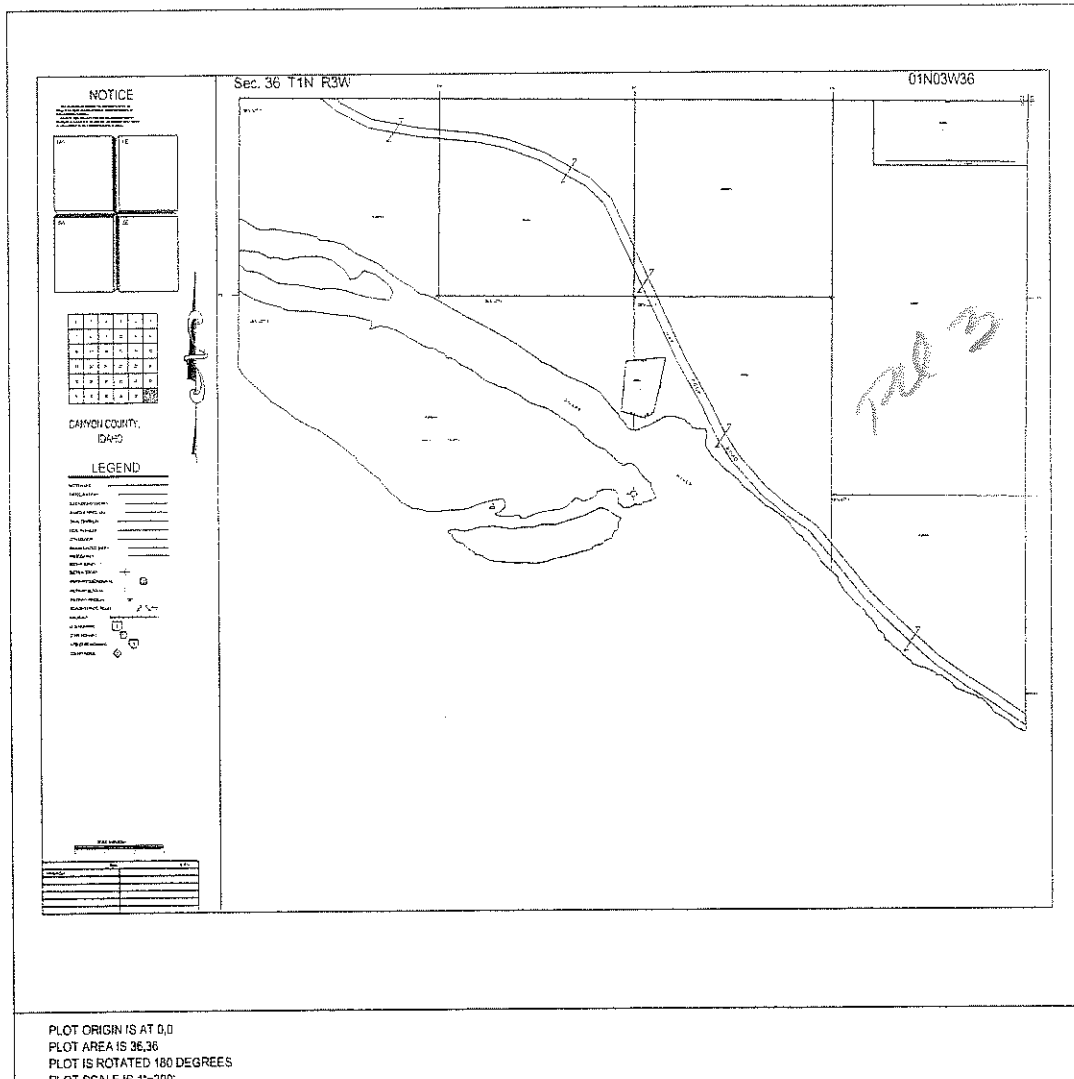

John M. Marshall
