Re: Claim review

Claimed as licensed, more or less consistent with NAPP. Contractor found more acres than licensed but my markings on attached layout show claim is reasonable, likely no enlargement has occurred.

1) Priority 10/26/1959 as licensed
2) POB 5S 34E 35 SENENW as licensed
5S 34E 35 SENESE accorp. & fee
Code C03

3) Source Groundwater as licensed.

4) Purpose/Out 2.95 gfs 815.5 afa 4/1 - 10/31

Out (rate) and season of use per license

Out (volume) per DWR std 3.5 afa x 233 acres.

5) POB adjust contractor shape to licensed/claimed 233 acres.

6) Claim has comment re: 816 afa w/ other rights.

Memo 6/16/01 p 2

Do database query for other claims.

7) Ownership. Make note in eCVR about competing claim, process Δ ownership from Rupp when it comes, as appropriate.
