RE: Notices of Claim to a Water Right Returned

Dear Mr. Hatch:

The Idaho Department of Water Resources (IDWR) is returning Mike and Donna Hatch's Notices of Claim to a Water Right you submitted because of insufficient information and/or fees. All items on the notices must be correctly completed and fees submitted before the IDWR can process the claims.

Please correct the items identified below and return the forms to the IDWR within 30 days of the date of this letter. Failure to return the corrected notices within the 30-day period may result in an assessment of an additional \$50.00 late-fee for each notice.

- The filing fee for each irrigation Notice of Claim is \$50.00 plus \$1.00 per acre. However, the acreage fee must only be paid once. Since the acreage fee has been previously paid on Receipt E012054, the filing fee for the three irrigation notices, A29-02430A, A29-02431A, and A29-02524 is \$150.00.
- It appears you have changed notice A29-00127 from an irrigation Notice of Claim to a stockwater Notice of Claim. The filing fee for the stockwater Notice of Claim, depends on the amount of water claimed in Items #6 and #7. You must list the number and type of stock which use the water in Item #9. The recommended diversion rates for stockwater are listed in the enclosed table. If you claim the appropriate cfs from the table in Items #6 and #7 for the number of stock listed in Item #9, the filing fee is \$25.00. If you do not change the amount previously listed (0.4 cfs) in Items #6 and #7, the filing fee for the notice is \$50.00 plus \$100.00 per claimed cfs in Item #7 (\$90.00 total).

- Also, you changed the point of diversion (Item #4) for notice A29-00127 to Section 24. The point of diversion should be the location where water is diverted from King Creek. The previous location was listed on the attached aerial photo in the Southwest corner of Section 14. Please check for accuracy. If the aerial photo is incorrect, please illustrate the correct location on the photo. If the photo illustrates the correct location please adjust Item #4.

If you have any questions, please call Tony Olenichak, Water Right Agent, at (208)-525-7161.

Sincerely,

Tony Olenichak
