Notes

GPS Point in Waypoints-Crest Theme.
Thomp - GPS file.

Under the license, it describes the POD in the center of the SE, Section 13, T7S, R38E, in Carbon Co. During the field exam for Thompson Brothers who has also claimed some of the licensed POD, I GPS'd the POD. The GPS points puts the POD just over the line in the SW NESE. The well has not been moved. ~~Also~~ Part of the could be the error in the GPS, but I'm going to leave it as GPS'd, and add the CO3 remark because the legal description appears different.

Change of ownership form is located in 29-127 file.
