Re: Water right claim no. 29-2438A, Richard and Diane Watt

Dear Mr. Budge,

Thank you for your response to the above referenced water right. Per your request, I have included a copy of Transfer number 3290.

In your response, you indicated that a center pivot irrigation system was installed in 1994 and provided a footprint drawn upon a black and white aerial photo indicating areas that are currently under irrigation. Accordingly, I have revised the preliminary recommendation for water right claim 29-2438A and have enclosed the revised layout for this particular recommendation.

Thank you for your patience in this matter. If you have any questions in this regard, please feel free to call me at 525-7161.

Sincerely,

W. Roger Warner
