RE: Adjudication Claim 29-02459B

Dear Carrie,

Since our conversation on April 4, 2001, I have located the well log for the irrigation well drilled on 4/15/1999. However, I was unable to find an approved transfer that would permit a change in the point of diversion associated with water right 29-02459B.

A transfer needs to be filed to allow water to be diverted from the new well. For your convenience, I have taken the liberty of filling out a portion of a transfer application. Please fill in the highlighted areas. I have also enclosed a blank transfer application form in case you wish to make any changes. A map is also enclosed for your convenience.

Upon completion of the transfer application, please return it to this office with the filing fee of \$100. Note that the application will need to be signed by a representative of Oregon Trail Broadcasting.

Until the transfer is approved, the point of diversion for claim 29-02459B will be recommend as the original well used to irrigate the land.

Please feel free to contact me at (208) 525-7161 if you have any questions.

Respectfully Submitted,

Craig Saxton
