RE: Water Right Claim # 02-04013

Dear Jennifer,

Pursuant to goal of providing Evidence of Priority for the above referenced water right claim, I am enclosing an Idaho Power Company work order map that depicts the installation of the line extension to its position on Schoffs Island. The dates on the map are 1953 which synchronizes with our claimed priority date of March 11, 1954.

If you need additional information, please call at 323-0924.

Sincerely,

A handwritten signature in blue ink, appearing to read "Allan Humphries", with a long horizontal flourish extending to the right.
