Last week Jennifer Crabtree, from the Idaho Falls IDWR, sent a two-page "NOTICE OF CHANGE IN WATER RIGHT OWNERSHIP" form to be signed (did so) and a copy of my WARRANTY DEED on the property involved. These two documents are enclosed. In addition, for your information I have also enclosed a copy of a letter from Ms Crabtree dated February 8, 2000, which had attached: "NOTICE OF CLAIM TO A WATER RIGHT ACQUIRED UNDER STATE LAW", CIVIL CASE NUMBER: 39576, also enclosed.

If you need any additional information to make the proper assignment, please let me know. I would appreciate some kind of confirmation that this process has been completed. Thank you.
