RE: Snake River Basin Adjudication
A21-0051A, A21-00106B, A21-04028

Dear Mr. and Mrs. Blanchard:

The enclosed prepared claims were taken from the Department records. The claim for A21-04028 may not reflect the current status of the water right as you own it now. A blank claim form and photocopy of an aerial photograph are enclosed to assist you in correcting the descriptions if need be.

A transfer application for A21-04028 could not be found in our records here or in Idaho Falls. The eastern office did have an exchange request for Fremont-Madison water, but I surmise this is totally unrelated.

The fees as the claims are prepared are \$178.00: (A21-0051A - \$58.00, A21-00106B - \$70.00, A21-04028 - \$73.00, \$50.00 per claim plus \$1.00 per acre claimed, paid one time only). The domestic or stockwater claims are \$25.00 each.

If you need further assistance, I would encourage you to make an appointment with the Idaho Falls office, 525-7161. I would, however, welcome your questions.

Yours Truly,

Donald V. Shaff
Adjudication Section Supervisor
