Dear Claimants:

We are returning your three incomplete Notices of Claim to a Water Right because we need assistance before we can continue. We have enclosed your receipt #C078511 for the filing fees you paid. Please retain the receipt for your records.

Incomplete Unnumbered Claim for Water From Spring

✓ Please add the city name to Item #1.

✓ At Item #4b, you claimed instream flow. Instream flow claims are for stockwatering directly from a natural stream course. Since you did not complete Item #5, Description of existing diversion works, we do not know what carries the water from your spring to the place of use. If it is a culvert, please line through your entries referring to instream flow.

Incomplete Unnumbered Claim for Waste Water from Lemhi River

✓ Please add the city name to Item #1.

✓ At Item #6, please add the dates water is used for Stockwater.

Incomplete Unnumbered Claim for Water from the Lemhi River

✓ Please complete Item #1, including the city name.

✓ Item #4, Additional points of diversion if any: please line through "Board in Culvert & Headgate", as this is not a point of diversion.

Please initial any changes you make to these claims and return them to me at this office. You may want to make a copy of your claims before returning them to me. Please call me at 208/287-4914 if you have any questions or concerns.

Sincerely,

Roxanne Brown
