Division of 21-60

Arlo Blancard owns 14.63 acres of 160 original decreed land.

William Maupin 43.71 acres

RD Miller 38.05 acres

Earl Potter 32.96 acres

Rex Osterberg ~~6.03~~ acres
5.9

3.5 cfs is left over after the chester canal takes .6 through transfer 123.

$3.5/160 = .021875$

By multiplying .021875 by the acreage of each property owner you get their cfs.

Blanchard = .32cfs

Maupin = .96cfs

Miller = .83cfs

Potter = .72cfs

Osterberg = .13cfs

Date: 5/8/2000

Re: Data supplied by Curr Ditch manager.

Curr Ditch is an informal delivery organization in Basin 21, whose members are holders of individual decreed rights. The manager, Mr. Paola Worrell, came in today with some questions regarding the rights and adjudication claims.

I will be sending him copies of the proof reports of the claims and split claims on the attached list. The list was made by referring to Tony's new WD 01 decree book. Any decreed right that had a split in the Curr Ditch per Tony's book, I searched using WRQ11 on the database. Any AJ split from those original decrees, I included on this list. Therefore there will be some claims on this list that are not Curr Ditch, but all the Curr Ditch claims ought to be on the list.

Mr. Worrell will compare these claims with his records, and notify those water users who may need to split, amend, or file additional claims. Mr. Worrell's help will likely be very valuable as we come to claims investigation.

Also attached to the copy of this memo in file A21-00028 are two lists Mr. Worrell gave me of shareholders in the ditch, one from 1980 and one from 1987. These should also be very helpful.

Mr. Worrell's address and phone number are:
