

10 January 2003

-P.O.U. This right was licensed for 67 acres in 1978. Since the claimants have modified the irrigation system, incorporating injection of g.w. into Rattlesnake Cr. ; redirection.

A diagram furnished by the claimant with information for 29-10893 illustrates the location of P.O.P., P.O.I. & P.O.R.

The claimant has not filed an enlargement claim for ground water so the P.O.U. is limited to the 67 acres as originally licensed.

Ernest.
