1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

SOURCE

2. Describe the changes you wish to make in the proposed recommendation:

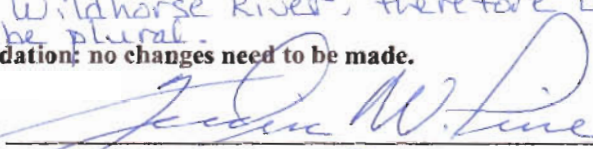

Unnamed Stream (singular) should be changed to
Unnamed Streams (plural).

3. Give a brief explanation as to why you disagree with these portions:

This claim describes the main stem of Wildhorse River,
as well as, four separate Unnamed Streams that
are tributary to Wildhorse River, therefore Unnamed
Streams should be plural.

 I AGREE with this proposed recommendation: no changes need to be made.
