REF: SNAKE RIVER BASIN ADJUDICATION PROCESS

Subject: claim numbers 29-4429 & 29-2529

Dear Mr. Wallace;

I've enclosed some information from our Website about the adjudication process. The forecasted completion date has changed from the original information meeting in May of 2002 but the process has not changed. In the last legislation session the objection period has changed from 120 days to 60 days. We are still in the investigation period and preparing recommendations for the court. As the timeline shows we are projecting that to be complete in February of 2003.

I hope this helps you understand our process.

Sincerely;

Cindy E. Bird
