) **STIPULATED ELEMENTS**
) **OF A WATER RIGHT**
)

This form is used to report the stipulated elements of one water right acquired under state law and/or one federal reserved water right. Submission of this form will not automatically result in the issuance of a partial decree. The Presiding Judge or Special Master will conduct any hearing necessary to determine the facts, data, expert opinions and law support the issuance of a partial decree for the water right.

The parties agree that the Snake River Adjudication Court has jurisdiction of the parties and subject matter to enter a partial decree for this water right; that they have been served with sufficient process, according to the law; and that they have appeared, prosecuted, and defended their positions with regard to this water right dispute.

The parties and IDWR agree and stipulate that the elements of this water right should be described per the attached. The parties and IDWR have further indicated their concurrence by initialing each of the attached pages.

This is a detailed topographic map of a section of the Snake River Plain. The map is overlaid with a grid of 36 sections, numbered 001 to 036. The sections are arranged in a 6x6 grid. The map shows the Snake River flowing through the center, with several creeks branching off, including Willow Creek, Snake Creek, and Snake River Canyon. The map also shows the locations of several BLM claims, including 65-07267 BLM Claim Development and 65-19926 BLM Claim. The map is a black and white topographic map with contour lines and a grid overlay.
