Re; Evidence of claimed Priority Date, 29-04028

Dear Mr. Lish;

I am in receipt of the claim to a water right, referenced above, which you filed 16 January 2002, from Quinn Creek for the purpose of irrigation. As with such claims the claimed Priority Date (in this case, 01 June, 1925) must be verified by documentation of some type. I am enclosing a pamphlet to aid you in obtaining such evidence; you will note several documents types, which are acceptable as evidence, supporting the claimed date.

As a claimant to a water right in the Snake River Basin Adjudication (SRBA) it is your responsibility to provide the requested information such that the claim might receive a favorable recommendation to the SRBA court.

Please provide this requested information within 30 days of the date of this letter. Should you have questions or concerns regarding this request please feel free to contact this office.

Respectfully submitted,

Allen B. Ruberry  
Sr. Water Resource Agent
