Route #1, Box 117
Inkom, Idaho 83245

Dear Ms. Lish:

The Department of Water Resources has completed the processing of your claims to a water right and no further action is authorized under Sections 42-225a and 42-225b, Idaho Code. Your claims will be retained in our files and will be available at any time for use by you or the court.

As you are aware, the filing of the claims do not, in themselves, guarantee you water rights; they only record and preserve the information and the evidence which you included in your claims.

If, at a later date, you find that you have additional information or supporting evidence that you would like to have included in your claim files, you may have that information or evidence added at any time. Please refer to your claim numbers when corresponding with this office.

We are enclosing, for your records, copies of your claims. If you have any questions or if we can be of further assistance, please feel free to call upon us.

Very truly yours,

NORMAN C. YOUNG
District Engineer
