Re: Water right Nos. 29-4095 & 29-4096.

Dear Mr. and Mrs. White,

We recently received your amended claim for water right claim number 29-4095 and have made the changes to the water right recommendation accordingly. For your convenience, I have included a copy of the revised recommendation for water right claim number 29-4095 but also a copy of water right claim number 29-4096. As was explained in our previous communication, we saw no need to revise water right claim number 29-4096.

Please review these preliminary recommendations for accuracy as you have done before. If you have any questions in this regard, please feel free to call me at 525-7161.

Sincerely,

W. Roger Warner
Adjudication Agent
