Re: Water Right #s 75-14032 & 75-14034

Dear Ms. Brown:

I was contacted recently by a client, Andrea Avery, who owns real property with an associated water right on Golway Gulch Creek, which is a tributary of Freeman Creek. It is my understanding that the information related to this water right and the other associated rights on Golway Gulch Creek/Freeman Creek has previously been forwarded to your department from other individuals with water rights on the creek. If that is not the case, or if you need further information please contact me at your earliest convenience. I have enclosed a copy of the Department's basic water right information to this letter for your convenience.

I appreciate your help in this matter.

Sincerely Yours,

Paul B. Withers
