Dear Mr. Landis:

You kindly met with me last fall to review the place of use of West Indian Cove. At that time you and I agreed the irrigated lands for the Company's water rights was about 730 acres, as I recall. I discovered a part of those lands are in Indian Cove and now reduces West Indian Cove to 684 acres.

Please review the map I have sent. Contact me if you have concerns or questions with the results. Andy Johnson has a map of the Indian Cove place of use if you would like to compare notes.

Sincerely,

Donald V. Shaff, MPA
Adjudication Bureau Chief
