Memo to File:

27-2080A

After meeting with Cindy, Ernie is taking the files to IF and plans on calling Alicia Dredge to discuss the additional fee of \$21.00 per claim on A and B for stockwater and to discuss them filing a late claim to cover the in-stream stock claimed under 27-2080.

Hi Jennifer,

When I told you the claim number that applies to the \$329.00 I sent you last week, I was incorrect. It actually covers several new claims. I will recap them in this e-mail and enclose a copy of this email with the actual claim papers

Amend claim 27-2080. Fee \$104.00

Eight Notice of Claim to a Water Right located in T8S,R43E. Fee \$25 x 8=\$200.00

One Notice of Claim to a Water Right located in T8S,R42E. Fee \$25

All of these claims need to show that receipt of payment is from Receipt E029999.

Sorry for the mixup but I didn't want the check to be in our office when both Cindy and I were out.

Thanks.

Barbara :-}

Cindy:

Alicia Dredge came in and signed the claim for #27-2080A and 27-2080B and left their check for \$329.00. I gave her a copy of the signed amended claim.

She gave me a copy of her business card stating that for six months of the year she is in Soda Springs. The Rupert address is their permanent address. The Soda is just a "temporary" address.

She also stated that she looked over the information you gave her the last time she was in and it all looks fine. She also apologized for not showing up for her last appointment. She just forgot.
