this should be posted notice

See Claimant's map attached to claim

- The original statutory claim claimed
irrigation. Change of purpose of
use from irrigation to irrigation
storage.

Information in the file seems to
support priority date. Posted notice?

land is in CRP, first went into CRP
in 1986

look at 1987/88 NAPP Photography
Orthoreginal AA94 (1974) looks cultivated
by claimant not sure it looks irrigated.
