Re: Water Right Nos. 27-11578, 27-11580, 27-11584 & 27-11602

Dear Mr. Barber:

On March 17, 2006, this Court received from your office for filing, a *Standard Form 1 Objection* in each of the above-captioned water right numbers on behalf of the State of Idaho, Department of Lands. In reviewing our records, we find that an ***Order of Partial Decree*** was issued in each subcase on May 25, 2004.

All four of these water right numbers were mistakenly reported in the *Director's Report for Basin 27, Part 1*, received by this Court on November 10, 2005, however, a *Notice to Withdraw Director's Report* was filed with the Court on December 9, 2005 and an ***Order on Withdrawal of Director's Report*** was also filed in each subcase number on December 30, 2005.

Therefore, we are returning your original documents with voided date stamps. Should your clients so desire, they may file a *Motion to Set Aside Partial Decrees*. If you have any questions regarding this matter, please feel free to call the Court.

Sincerely,

Julie Murphy
Deputy Clerk
