Cindy,

I spoke with Mr. Thomsen. He is willing to settle for what they claimed -- quantity 0.06 cfs on 3 acres. Could you prepare an SF5 attachment in underline/strikeout? I would like to get this in the mail to him by Thursday if possible. Thanks. I'm ccing Ernie since I'm not sure what your system allows you to do. Thanks

Candice

Notes

Charles & Richard will talk to Joann and let me know what they would like to do. CB

7/8/04 Settlement Conference July 21st. Candice phone discussion. Candice will call the Thomsen's and offer 0.05 cts on 2 1/2 acres. CB faxed a copy of their sales agreement.

Candice is going to call the Thomsen's to see if they have a warranty deed.

7/16/04 Received scanned copies of warranty deed from Candice. Very poor copies.

7/16/04 12:50pm called Joann & Charles and asked them to send a copy to the office because these are poor copies.

Notes

6/23/03 No response on the request to amended the claim.

Recommend as originally claimed

5/15/03 Pauline has called several times and left messages. Haven't heard anything yet.

4/14/03 Joan called and wants to change their notice of error reply. Would like to claim $1\frac{1}{2}$ " per acre not 1" per acre.

4/22/04 Basin 29 settlement Conference in Pasatiello at Danneberg Co Courthouse. Charles Thomson and Richard (?) (I think it was Bob Waddley) appeared for the court hearing. I explained their warranty deed only conveyed 0.05 CB with the purchase of this prob property so they could either do 0.05 on 2.5 acres at 1-inch per acre, or 0.05 on 1.67 acres at $1\frac{1}{2}$ inches per acres. but they can't have $1\frac{1}{2}$ inches on $2\frac{1}{2}$ acres because they are limited according to their warranty deed.
