Subject: AG letters

You recall the AG letters you sent out to encourage non-responders to contact me..... well, to date, no response... not one.

Mr. Lynn Bastian's letter was sent on Oct 16..... how long do I have to wait to get on with this process? I should think 2 weeks is long enough. If he will not respond to phone calls (by myself and Cindy) and now no response to letters I think its time to cut the cord and Disallow his claims.

Re: SRBA Claim Nos. 29-4302, 29-11463, 29-11465

Dear Claimant:

I am the Deputy Attorney General assigned to represent the Idaho Department of Water Resources in Basin 29 in the Snake River Basin Adjudication.

The Department of Water Resources has left three phone messages: two in August and one in September regarding the above listed SRBA claims. It is important that we receive information from you in order for us to positively recommend the above water rights. It appears that a field exam is necessary in order to verify the point of diversion, place of use and source of these water rights and perhaps amendments may be needed on your claims.

Therefore, please contact Allen Ruberry at IDWR's Eastern Region Office at 208-525-7161 or you can contact me directly at 208-327-5404. Your prompt attention to this is appreciated.

Very truly yours,
