Re: Snake River Basin Adjudication (SRBA)
Notice of Error Reply – Subcase No. 74-1077

Dear Claimants,

Thank you for your response to our preliminary recommendation of the water right claim(s) captioned above. This letter is an attempt to answer your questions and address your concerns about the recommendation(s). I have enclosed a copy of your reply for reference.

First, let me address the issue of the number of acres irrigated. Your response indicates “61 not 60.2”. I have enclosed a copy of the Lemhi decree, highlighting right 74-1077. At the time the document was printed, we were unable to print tenths of an acre in the “PLACE OF USE AND ACREAGE” column. To overcome this, IDWR printed a remark at the end of each right, limiting it to the total number of acres decreed. In the case of 74-1077, this remark reads “AC. IRR. = 60.2.”

The second issue concerns the boundary of the field shown on the map. This boundary was determined using the original maps from the adjudication of the Lemhi River basin in the 1980s. We have recommended the right consistent with both the Lemhi decree and the original map.

Please call me at (208) 287-4914 if you have additional questions or concerns. You may also reach me using email: roxanne.brown@idwr.idaho.gov.

Sincerely,

Roxanne Brown
