5. Description of Diversion Works: Salmon Falls Dam and Canal System.

Salmon Falls Dam is a concrete arch dam completed in 1911. The dam has a structural height of 223.4 feet, an arch radius of 225.0 feet, an arch length of 450 feet and a base width of 119 feet. At top of dam (gauge 80) the surface area of the reservoir is 3,400 acres with 182,650 acre feet active storage plus 48,000 acre feet dead storage. The drainage area is 1610 square miles.

The outlet works consist of a 12 x 12 foot tunnel with four 2.5 x 10 foot sluice gates. A concrete overflow section is located in an open cut approximately 2,100 feet downstream of the outlet tunnel and upstream of a second tunnel which is the beginning of the irrigation distribution system.

The Main Canal extends for 37 miles with 300 miles of open laterals and 27 miles of pipelines. There are approximately 492 farm turnouts with Canal Company delivery responsibility ending at the turnout measuring device.

It is very important that you inform the department in writing of any change in your address. This is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

If you are acquiring property with water rights in the Snake River Basin water system in Idaho (either by purchase, gift, inheritance, or other means), it is very important that you inquire of the department whether a notice of claim has been filed. If not, you must file a notice of claim or the water right may be declared by the court to no longer exist. If a notice of claim has been filed, it is very important that you file a written notice of change in ownership with the department. The notice of change in ownership must be accompanied by some evidence of the change in ownership, such as a copy of the deed or a property tax statement showing the name of the new owner. Again, this is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

The cost of the subscription to the docket sheet is \$7.50 for calendar year 1988. The cost of the subscription may increase a small amount for calendar year 1989 if the cost of copying and/or mailing should increase.

If you are planning to file a motion or other pleading (not a notice of claim) with the court (not IDWR), the court has issued an order setting a special procedure that is different from the usual civil rules. A copy of the order may be obtained from any office of IDWR; you may be charged for the cost of mailing and/or copying.
