Re: Claim A29-4349

Dear Water User:

Last spring I wrote you requesting additional information or documentation of the use of this water right. I need this information to make an accurate recommendation to the court in the Snake River Basin Adjudication. Because this right has never been confirmed by a court decree or a department investigation, I need documentation that the water uses were developed prior to March 25, 1963 (ground water source) or May 20, 1971 (surface water source).

Please refer to the letter and pamphlet sent last spring, and provide documentation. Remember that affidavits must clearly identify "first person" knowledge (I did..., I saw...) and clearly state when the use of water was first seen by the person.

Feel free to contact me or my supervisor Ernest Carlsen if you have questions.

Sincerely,

Bryce A. Contor
Senior Water Resource Agent
