RE: Evidence of Priority for Snake River Basin Adjudication (SRBA) claims 29-04366 and 29-10539.

Dear Tom,

Per our conversation on the phone on February 6, 2002, I thought I would send you a follow up letter describing the information that needs to be submitted.

Claim 29-04366 is for 5 acres of irrigation from your well. You claimed a priority date of December 30, 1955. Claim 29-10539 is for 10 acres of irrigation from Pocatello Creek. You claimed a priority date of June 1, 1927.

Both of these SRBA claims require priority evidence. Evidence can be in the form of affidavits from persons with first hand knowledge of the water use, receipts for irrigation equipment, or even old aerial photos which can be obtained from the Farm Service Agency.

Without this evidence, I cannot recommend use other than Domestic and Stockwater. I appreciate your prompt attention to this matter.

Please feel free to contact me at (208) 334-2190 if you have any questions.

Respectfully submitted,
