Re: Jack Childress Water Right Claims
Claim No. 65-22967 and 65-22969
MTBR&F File No. 22-494.0

Dear Don:

Thank you very much for taking the time out of your day to speak with me yesterday regarding the above-referenced water rights. As we discussed during our call, you have conducted a preliminary review of the water right claims and they appear to be in order. You further indicated that the claims should be recommended no later than April 15, 2006.

If you have any questions regarding these water rights claims, please do not hesitate to let me know, and I will be happy to work with you. In the meantime, thank you very much for your consideration and your work toward getting these water rights recommended in the SRBA.

Very truly yours,

Angela Schaer Kaufmann
