

1-24-02 : Called Leroy Erickson -

Says Blackrock Irrigation Project water currently serves 5 homes

: System - Pumped to north of service area through 8" irrigation pipe. Then enters a ditch maybe a foot deep - Enough to hold water supplied by 8 in pipe

: Slope Ditch runs 1/2 mile to the East and 1/4 mile to the West. Center trap

: Aerial view shows about 24 acres of irrigatable land. However, Claimant states currently irrigating about 10 ac.

12-13-02 : Reference letter 1-23-02 Recommend 10 acres and 0.20 cfs.

: Boundary of irrigated ground taken from Irrigation Boundary Information collected by Mark Larsen

: Priority date Good-

12-16-02 : Spoke with Neighbor John Dudumaker said that he only knows of two current users - Erickson and Bowman. But water was used on his property in 1982 - Recommend 10 acres w/in boundary claimed.

John didn't know how many acres irrigated.
