Re: Water Right No. 29-4434, Capell

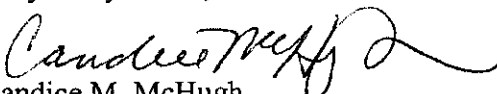

Dear Mr. Lyon:

This letter follows our earlier conversation regarding ownership of the above water right. As we discussed, the Idaho Department of Water Resources needs information to demonstrate that the property and appurtenant water right have been conveyed from the Kathryn Capell Revocable Trust to the individuals, Maxilyn M. Capell and Ronald J. Capell.

I am enclosing a change of ownership form along with this letter. Please remit the form, ownership documentation and the \$25 change of ownership fee to the Idaho Department of Water Resources, Attention Candice M. McHugh, 1301 N. Orchard, Boise Idaho, 83706.

Your prompt attention to this matter is appreciated.

Very Truly Yours,

Candice M. McHugh
Deputy Attorney General, IDWR
