REF: Ground water well

SUBJECT: Beneficial Use Claim

Dear Vadna,

I've been researching your ground water well. I can't find anything on it, not even a well log. Since the well was drilled and used prior to 1963 I would suggest you file a Snake River Basin Adjudication (SRBA) claim on the well. I've enclosed a SRBA irrigation claim form for you to fill out on the well. I would suggest filing the claim as soon as possible to avoid a \$50.00 late fee.

After looking at the imagery of the irrigated lands, it appears that your historical irrigation is 20 acres. Also to remind you this would be a beneficial use claim and would also need "Evidence of Priority". If you have any further question, please feel free to give me a call at 547-3993.

Sincerely,

Cindy E. Bird
