RE: Notice of Change in Water Right Ownership

Dear Rick and Brad,

It has come to my attention that in January of this year, you purchased a portion of the property owned by Philip James Knox. Mr. Knox filed a Snake River Basin Adjudication claim on this property. Claim number 29-04432(enclosed). In order to put the portion of the right that is applicable to your property, a Notice of Change in Water Right ownership form needs to be filed.

On Wednesday 8/17/01 I stopped by the property and dropped off a change of ownership form. I am not totally confident I dropped it off at the right home so I am sending you another copy of the form.

Here are a couple things to note on the form.

Section 2.A. - There is no filing fee

Section 6 - Unless you have an agreement on how the right is to be split, I will split the right proportionally according to the amount of irrigated land per parcel.

Please feel free to contact me at 525-7161 if you have any questions.

Respectfully submitted,

Craig L. Saxton
