RE: Notice of Change in Water Right Ownership

Dear Chantz and Courtnie,

After our meeting on August 22, 2001, I went to the courthouse and found the deeds needed to complete the trail of property ownership from Mr. Hammer to yourself.

However, in further investigation I found a water right for your domestic well that has already been partially decreed by the Snake River Basin Adjudication (SRBA) court. This means the court has already approved your domestic right and it is now a "decreed" or "perfected" water right compared to the irrigation "claim" 29-04442 for the East Fork of Mink Creek water.

Because your domestic right has already been decreed, there is a \$25 fee to change the right into your name. Enclosed is a copy of the domestic right 29-10340. Please send in the fee of \$25 dollars ATTN: Craig L. Saxton, and I will have the appropriate documentation sent to the SRBA court so we can get the right in your name.

Make checks payable to IDWR .

I apologize for the inconvenience. Please feel free to contact me at (208) 525-7161 if you have any questions.

Respectfully Submitted,

Craig L. Saxton
