Re: Claim Review

Dear Don,

I have reviewed these claims you presented to me on 7 August. I believe all of the claims are correct as stated except one.

Claim No. 29-7001 does not reflect the claim as submitted. The only change that might be needed is in the Place of Use. If, in fact, you are using the water as stated and not as originally claimed, no objection is needed. However, if are not using the water as stated but as claimed, you need to file an objection to the Place of Use.

I have added in pencil the possible changes you need to consider.

If our office can be of any further assistance, please let us know.

Very truly yours,

Cindy E. Bird
