TO: Snake River Basin Adjudication Court
RE: Decreed Water Right 72-7184

This letter is to ask for a Motion to Set Aside; and to correct the place of use for above mentioned water right 72-7184. The point of diversion is correct; however; at some point in time the letters of the quarter/quarters were transposed and are incorrect. To further show the error, I am enclosing a map showing the quarter/quarters on the water right is not private land. It is all BLM land in the SWSE. The proper place of use is the NESE as shown on the enclosed map. Further, no water has been used on the SWSE by any of the previous owners or myself.

I am enclosing all deeds relevant to the matter starting from the original owner (Searles) that filed the water right in the beginning. This should help show the proper legal description and place of use. Please let me know if you need further information.

I appreciate your attention to this request and await your reply.
