Wednesday.

- When was the POU changed from 477 acres to the 800 acres (irrigating 477 within the 800)?

PPLU? Done in 1974-75 per Rulon Wistisen. The Wistisen family has been operating this farm since 1957.

2/21/02 Conversion in my office with Rulon Wistisen. They combined and have used the water as a permissible place of use since about 1974-75. Rulon Wistisen is part of the corporation. The permissible place of use effects claims A29-7041 & A29-7305.
