Re: Ownership

Today I spoke with Steve Hart, accountant for Roger Ferguson/Crystal Springs, which owns the nearby Papoose Springs water rights formerly owned by Aqua Life, Inc. Aqua Life is the owner of record of these rights as well, but mail comes back undeliverable.

Mr. Hart told me that Ferguson/Crystal Springs does not own the Batiste rights. He believes Ken Ellis (of Aqua Life?) has sold the Batiste rights, but he does not know to whom.
