Re: Evidence of priority 67-14630

April 11, 2006

Dear Mr. Narsavage:

This letter is to confirm the water usage on the Pedro Place, in Washington County, most commonly known as 1526 Hwy 95, Weiser, ID 83672. The original owners of this property was the Adams family somewhere in the late 1800's. They irrigated 67-14630 from the Joselin Ditch. The Pedro family purchased the property approximately 1920. They also irrigated 67-14630 from the Joselin Ditch.

I purchased the property from the Pedro Family in 1970. I, also, irrigated 67-14630 from the Joselin Ditch. In 1984 I sold the property to the Barstad's. The Barstad Family installed an elaborate sprinkling system to irrigate 67-14630 in 1986. To the best of my knowledge, the Joselin Ditch was constructed in 1877 and has been continuously used for irrigation on 67-14630 to this date.

If you have any questions, please call me at (208-549-1397).

Sincerely,

A handwritten signature in black ink that reads "Paul Striker". The signature is written in a cursive, flowing style with a prominent "P" and "S".
